 S. Comments:Raced 3 wide throughout. Inquiry re tactics adopted, in particular in the early stages when jockey Powell appeared to have opportunity to continue forward when wide and take a position closer to the fence. He said he attempted to steady thinking his mount would not be able to persist forward to lead, and would be more likely to position closer to the fence at the fall of the field, however he was caught 3 wide, but with hindsight agreed it may have been a better option to go forward. Stewards advised him whilst they felt he erred, they felt it was not unreasonable in the circumstances.

 S. Comments:Inquiry re poor performance. Jockey advised that after beginning well she obtained a forward position and travelled strongly on the bit throughout the event, however when placed under pressure rounding the home turn, the filly failed to respond to her riding and proved disappointing. A post race veterinary examination revealed shin soreness in both forelegs. Trainer T. Sears advised that in light of the veterinary report it was now his intention to spell the horse immediately.
