S. Comments:When questioned regarding the horse's improved performance, trainer S. Kendrick stated that the gelding was hampered on jumping at its first start and unable to muster speed over the 900m which he believed was too short for the gelding. He added that since then the horse has trialed and worked well leading up to today's event and as such he stepped the gelding up to a more suitable journey of 1200m. He said he expected a more forward showing today over the further distance and with the wet track, noting that the gelding is bred to handle the wet, and he was not overly surprised by the win.

Trainer M. Webb provided evidence that the horse had had blood tests performed approximately 10 days ago and this was the cause of the haematoma. The veterinary surgeon provided further evidence which supported the evidence of trainer Mark Webb and no further action was taken.

S. Comments:Held up for clear running approaching the 400m and shifted out in attempt to secure clear running and in doing so made heavy contact with another runner, causing both horses to become unbalanced. Rider S. Cormack was reprimanded in relation to this incident and advised to exercise more care. Laid out badly under pressure from the 350m, causing its rider to pull the whip through to the nearside and causing its rider to give hands and heels from approaching the 100m. Rider interviewed in relation to his apparent failure to ride the gelding out over the final strides. Refer Stewards Report.

He indicated as a result of not pressuring the horse in the early stages he had elected to then steady and take up a trailing position. He indicated when attempting to have the horse steady, it commenced to overrace and he therefore attempted to stride forward to the lead. He added the horse hung out throughout and placed him at a disadvantage.
