S. Comments:Momentarily held up approaching the 400m. Improved onto heels after passing the 100m and went to the line without being fully tested. When asked to comment on the performance, jockey R. Wiggins advised that from the wide alley he had been instructed to settle in the second half of the field. He said he could have been in a more forward position however he would have been caught wide and restrained to the tail of the field. He also had been instructed not to shift too wide on the home turn as connections did not wish the horse to be positioned wide when being asked to improve into the race

She indicated the horse was slow to begin at its most recent start and was unable therefore to obtain the lead which, in her opinion, the horse races bests when able to lead. She felt that this had a detrimental effect on the horse's performance. Mrs Hickey further added that she had slightly changed the horse's training regime in the lead up to today's event.

S. Comments:Rider questioned re performance - explained obliged to ride forward after being caught wide early and probably had to do more work than he would have liked before obtaining a position outside the leader passing the 800m. Added from that point on travelled reasonable but shortly after straightening when placed under pressure failed to respond and proved disappointing over the concluding stages. Further added that as the gelding was first up from a spell today it would benefit from the run.
