S. Comments:Commenced to weaken leaving the 700m and then near the 600m blundered of its own accord causing Jockey R. Plumb to be dislodged. At a subsequent inquiry, Stewards established that the incident was a direct result of the racing manners of Sauerkraut at that point. A post-race veterinary examination failed to reveal any abnormalities.

Comments: Connections advised that it would be the intention for the horse not to lead but to obtain cover. The horse was ridden accordingly and, due to the slow pace set in the early stages, overraced badly and was restrained from heels on a number of occasions prior to the 800m and at that point shifted wider on the track and raced wide from that point onwards. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

S. Comments:Rider questioned re performance - explained obliged to ride forward after being caught wide early and probably had to do more work than he would have liked before obtaining a position outside the leader passing the 800m. Added from that point on travelled reasonable but shortly after straightening when placed under pressure failed to respond and proved disappointing over the concluding stages. Further added that as the gelding was first up from a spell today it would benefit from the run.

S. Comments: R. Stewart was asked to comment on the horse's performance and the tactics he adopted. He indicated that from the wide alley he had been instructed to attempt to obtain cover and he was therefore forced to steady to the rear of the field to secure a position closer to the fence. He indicated that he then had some difficulty securing clear running rounding the home turn and the horse ran on fairly.

Rider comment re performance - stated after beginning only fairly unable to obtain a forward position as intended and settled further back than anticipated. Added filly shown good early speed in recent trials and as a result was expecting to settle closer to the speed and when unable to do so this may have attributed to its performance. Further stated filly would be better suited once it steps up in distance. Vetted - no abnormalities.
