S. Comments:Steadied rounding the home turn when placed in restricted room between PETAIN and CHAVO which shifted out. Stewards sought an explanation as to Jockey P Hammersleys riding in the home straight. Jockey Hammersley stated that after receiving interference at the top of the straight, his mount then failed to respond immediately to his riding and therefore when placed out of contention, he elected not to continue to ride his mount for the remainder.

Raced wide until leaving the 700m before obtaining the lead and crossing to the fence at that point. Stewards questioned apprentice T. Williams regarding her riding of the mare. Of particular concern was the fact that she led when the horse's racing pattern has been to settle in the second half of the field, and as to why she led after having begun very awkwardly. Miss Williams stated she had been instructed to attempt to settle midfield and rode aggressively out of the barriers after being slow to begin in an attempt to secure that position. S. Comments:J. Lloyd reported at scale that shortly after the start his mount felt uncomfortable in its action and for this reason he elected not to pressure the gelding for the remainder of the event and was eventually eased out of the race in the home straight. A post-race veterinary examination revealed no significant findings and a swab sample was taken. Trainer M. Lakey was advised that the gelding would be required to compete satisfactorily in an official barrier trial prior to racing again.
