seemingly improved performance. He indicated that, in his opinion, the horse appreciated the step up in distance to 1600m today, and whilst he was somewhat surprised by the performance, indicated that at the horse's most recent start it had been unlucky in that it was held up for clear running during the early stages of the home straight. Stewards noted the explanation.

S. Comments:Rider questioned re performance - stated instructed to obtain a position with cover. Added when pace of race slackened passing 900m gelding commenced to overrace and continued to do so for some distance.Following which it failed to respond to his riding when placed under pressure leaving the 500m and proved disappointing. Of the opinion gelding's racing manners in early stages contributed to disappointing performance.
