S. Comments:When asked to comment on tactics adopted when leading the main body of the field by a significant margin in the middle stages of the event, rider J Orman stated he rode ICED with some vigour from the barriers and the gelding raced keenly and proved difficult to settle, adding approaching the first turn near the 800 metres he attempted to steady the pace however ICED continue to race keenly. J Orman further stated he was of the opinion despite the horse travelling strongly, it was not an overly excessive pace, and in his opinion this was had no detrimental effect on the overall finishing effort

S. Comments:Began awkwardly. Raced wide without cover until a point near the 500m. Stewards question trainer J Edwards to the seemingly improved performance. Mr Edwards advised that as the gelding was having its first start for his stable in tonight's event, he was unable to comment on the horses' prior form. Mr Edwards did however advise that the gelding had jumped out well in preparation for tonight's event and as such had expected a forward showing. Stewards noted the explanation.

Sears advised that last start the filly was ridden further back than anticipated from a wide barrier, and met with some interference in the early and middle stages, however still ran on well late. He added that at its first start, the filly sat up on the speed and performed quite well. He further advised that today he removed the blinkers and added winkers to the filly's gear, and when able to be ridden more forward and down in grade, he had expected a forward showing.

S. Comments:Struck the side of the gate whilst entering the track. J. Byrne reported that he trotted the horse around at the barriers and it was examined by the veterinary surgeon who passed it fit to race, which jockey Byrne agreed with as the horse felt free in its action. He added that the horse travelled very well throughout the race until placed under pressure upon straightening and did not feel comfortable in its action and it was his view that in hindsight making contact with the gate when entering the track may have had more of a bearing on its performance than he first thought.
