S. Comments: Tightened on jumping. Raced wide throughout. Laid in from the 1400m onwards with rider B Appo stating from that point on, the bit had pulled through the horses mouth to the nearside, placing him at a disadvantage for the remainder of the event. Trainer D Murphy stated that he would now be experimenting with the addition of a ring bit, however, was nonetheless advised a warning would be placed on the record of WELL WELL WELL in relation to hanging.

Page 11 of 24

S. Comments: Slow to begin. Raced keenly in the early and middle stages. Below market expectation performance. Apprentice reported the gelding has a history of breathing issues and for that reason, in his opinion, the gelding overracing during the event was the major contributing factor to it failing to run on in the home straight. A post-race veterinary examination revealed the gelding to be making an abnormal respiratory noise. Veterinary certificate required prior to racing again
