S. Comments:Slow to begin. Rider Z Lloyd reported with the slow early tempo the horse was inclined to over-race in the early stages and did not travel comfortably from the 1000m and failed to respond to his riding when placed under pressure. He added he was of the opinion that having its first start back from a spell over 1800m on a wet track also contributed to the disappointing performance. A post-race veterinary examination revealed no abnormalities. A post-race swab sample was taken from NEMINGAH.

S. Comments: When asked to comment on the performance, rider J Orman reported that after settling in a favourable position, failed to respond to his riding and in his opinion proved disappointing. A post-race veterinary examination revealed some mild soreness in both forelegs. Trainer B Healey advised that he would have his veterinary surgeon examine the horse and report back to Stewards if anything came to light which may have had a bearing on today's performance. He further added that he may give consideration to sending the gelding for a spell.
