Comments: Rider said instructions were to lead if possible. He said the gelding showed sufficient early speed, however ARGO'S ReVENGE also improved to his inside, so he had to make more use of the gelding than he would have liked. He said at its previous start the horse was inclined to overrace and hang out and for this reason he was intent on pursuing the lead and getting the horse across to the rails. He added that the horse then travelled nicely in front and weakened over the concluding stages. He said he would have preferred not having to make as much use of the horsein the early stages.

S. Comments: Change of tactics. Connections advised that the horse will not be ridden aggressively out of the barriers in order to take up a position midfield or worse. The horse was ridden accordingly. Held up for clear running rounding the home turn and continued to be held up until the 200m when disappointed for a run and had to be steadied.

S. Comments: Connections advised that it would be the intention to attempt to ride the mare in a midfield position with cover. The horse settled at the rear of the field. Bumped heavily shortly after the start and was then taken in, making contact with the hind quarters of another runner and had to be checked. A post-race veterinary examination revealed no abnormalities.

She stated that she had been instructed to have the mare positioned behind the leaders and after beginning awkwardly she rode CHASE THE WIND hard to comply with instructions. however, approaching the 1000m she felt she may have been able to take a trail behind CRIOUETTE but was prevented from doing so by VIADUCTRESS improving to her inside and therefore she raced three wide without cover. She added that she tried to have the mare relax when racing in that position.

S. Comments:Near 800m steadied away from heels. Near 700m shifted out to 3 wide position with cover behind LIMERICK MOON. Rider questioned re riding stated tardy to begin and jumped awkwardly. Added instructions were to have wherever comfortable and keep up momentum. Further added after passing 800m when close to heels of LAND OFFICE elected to improve to outside of that runner and no sooner had he done that LIMERICK MOON commenced to lose ground, forcing him to race 4 wide from 600m. S. Comments; Reared prior to the start and struck its head. Removed from the barriers, examined by the veterinary surgeon and passed fit to start. Shifted out to avoid heels passing the 600m. R. Fradd reported at scale that it was always his intention to take a position behind the leaders. He said he had to steady his mount away from heels near the 600m, and indicated that in his opinion the gelding would be better suited over a longer distance than that of todays event.
