S. Comments:On return to scale, Apprentice A. Thompson reported that from the wide barrier he was forced to work early to obtain a forward position and, as a result, the mare commenced to overrace in the early stages. He added that, from this point, his mount travelled comfortably throughout however when placed under pressure, the mare failed to run on as he had expected and proved disappointing. Refer full report for comments from trainer L. Hatch.

S. Comments:On return to scale, jockey J. Oliver reported that his mount travelled well throughout, in what he felt was an advantageous position, however when placed under pressure from passing the 500m the mare failed to respond to his riding as he had anticipated, and ran on only fairly in the home straight. He added that, in his opinion, the mare may not have backed up from its recent trip to Rockhampton where it was successful.
