S. Comments:Rider reported her saddle slipped backwards during the early stages and as a consequence placed her a disadvantage for the remainder of the event. Stewards questioned Trainer P Nolan (Jnr) in relation to the seemingly improved performance. Mr Nolan advised that as the gelding was 2nd up from a spell today, it derived a significant fitness advantage from its first up run. He added that he had also removed the Tongue Tie and added Blinkers to the geldings gear for today's event and based on those factors he had expected an improved performance in todays event.

When asked to explain tactics from the 1000 metres, particularly her reason for pressuring SPICE TRADER from the 900 metres to the 700 metres, Apprentice KENNEDY stated her instructions were to lead as per its most recent start when successful at Gatton on 6th August 2020. In acknowledging these instructions, Stewards however were of the opinion App Kennedy had erred in continuing to pressure her mount at that point of the race, rather than steady SPICE TRADER when there

S. Comments:When questioned regarding the seemingly improved performance Trainer V Heading advised that at the horses most recent start it over raced during the early stages and was subject to interference in the home straight. He added subsequent to this run the mare had worked well, and as a consequence had expected and improved showing in today's event. Stewards noted the explanation.
