When questioned as to the performance App. J Grob stated that the filly travelled into the race nicely, however, peaked on its run passing the 300 and in his opinion proved disappointing. App. Grob noted that a nasal strip had been added to the fillys gear for the first time today. App. Grob added that passing the winning post the filly made an abnormal respiratory sound and as such may benefit from the addition of a tongue tie. A post-race veterinary examination revealed no abnormalities.
