S. Comments:When questioned jockey A. Butler stated that BONDURANT initially raced well in the early stages and found its customary leading position without having to do too much work. He added though that when approaching the 800m, the gelding started to not travel as strongly as it usually does and failed to respond to his urgings when placed under pressure in the home straight. Jockey Butler further stated that the heat and the 62kg imposed on his mount today was a factor in the performance today. Trainer J Wehlow echoed jockey Butler's sentiments and undertook to report back in the coming days.
