S. Comments:Fractious in the barriers and began awkwardly, losing 2 lengths. Steadied from heels near the 700m. When questioned regarding the horse's performance, Q. Krogh said that after beginning poorly and mustering speed, he elected to come wide leaving the 600m, however he felt that the horse was under pressure from that point and he felt the horse did not appreciate the tight turning track. It was also noted that nearing the home turn it was bumped by another runner. Jockey Krogh felt it was disappointing and he was of the view the horse performs best when able to lead or be in a forward position.

S. Comments:When questioned as the improved performance, Jockey C Eaton, who rode the filly at it's only other race start, reported that on that occasion the filly raced greenly and settled towards the tail of the field at a venue suited to horses which race on the pace. She added that with the race experience from that event the filly travelled far more tractably today which she felt was the major reason for the improved performance.
