S. Comments:Approaching the winning post on the first occasion clipped heels and blundered when awkwardly placed at heels whilst over racing. When questioned as to the below market expectation performance of the gelding App. D. Graham advised that in her opinion the gelding over racing during the early and middle stages was the major contributing factor in it failing to run on in the home straight particularly bearing in mind that it was stepping up in distance from 1000m last start, to the 1640m of today's event.
