She added that, in her opinion, the mare has benefited from its spell prior to today's race, and advised that the stable had modified the horse's track work program in preparation for this event. S. Comments:When questioned by Stewards questioned regarding the seemingly improved performance, trainer's representative M. Jaynes advised that the gelding was fourth up from a spell today and was therefore at is optimum fitness. He added that the stable had also increased the gelding's volume of trackwork which he felt was also a contributing factor to the horse's improved performance today. Stewards noted the explanation.
