S. Comments:Restrained at the start from a wide barrier to gain a position close to the rail. Shifted out to avoid heels near the 300m. J. Lloyd reported that he noticed when he left the enclosure the saddle was further forward than normal. He said that when he arrived at the barriers the horse was being fractious, and rather than have the gear adjusted and risk it not being able to be refitted, he elected not to have the filly resaddled.

S. Comments: Near 800m steadied away from heels. Near 700m shifted out to 3 wide position with cover behind LIMERICK MOON. Rider questioned re riding -

stated tardy to begin and jumped awkwardly. Added instructions were to have wherever comfortable and keep up momentum. Further added after passing 800m when close to heels of LAND OFFICE elected to improve to outside of that runner and no sooner had he done that LIMERICK MOON commenced to lose ground, forcing him to race 4 wide from 600m. Explanation noted.

S. Comments: Apprentice M. Murphy reported that his mount travelled strongly throughout when racing in the box seat. He added that when asked to improve into the race from the 400m the gelding failed to accelerate as he had expected and, in his opinion, was disappointing over the concluding stages. Trainer B. Currie expressed disappointment in the gelding's finishing performance today. He added that, in light of this performance, he will now review the horse's current preparation, and may consider sending it for a spell. A post-race veterinary examination revealed no apparent abnormalities.

S. Comments: Overraced in the early stages. P. Hammersley was questioned regarding his decision to shift out around STANLEY soon after straightening rather than improve to the inside of SCOUTABOUT. P. Hammersley explained that he was of the view that the better part of the track was three to four horses wide and for this reason he elected to shift out rounding the home turn, however, when STANLEY shifted out under pressure in the home straight, he was forced wider on the track than he had anticipated. Stewards noted his explanation.
