When questioned regarding the performance of the gelding, which was heavily backed, jockey M. Du Plessis said the gelding was fractious in the enclosure and after jumping raced somewhat keenly throughout. He added that in his opinion the gelding was disadvantaged today, being three weeks between runs and stepping up to the 1625m in today's event for the first occasion. He said that whilst it may have appeared to be disappointing, in his opinion the gelding would take significant benefit from it

S. Comments: As jockey R. McMahon's arrival on course was delayed, D. Griffin was substituted as the rider of the horse. When asked to comment on the performance of the horse, jockey Griffin indicated his mount raced quite greenly in the early and middle stages after he had been instructed to allow the horse to settle out of the barriers. He indicated that, in his opinion, the gelding finished the race off strongly despite laying in form the 400m onwards. He added that trainer Mr B. Baldwin suggested he would now look to spell the horse

S. Comments:Stewards questioned J. Lloyd in regards to the performance of STARKERS. Mr Lloyd advised that the colt never travelled comfortably throughout the event and when placed under pressure from the 600m immediately came off the bit and failed to respond to his riding from that point. Trainer C. Munce advised that he would monitor the post-race recovery of the colt, however, at this stage it would be his intention to continue with its current preparation. A post-race veterinary examination failed to reveal any abnormalities.
