S. Comments:Unable to obtain cover passing the 1200m due to the slow speed and when being restrained got its head up for a short distance before obtaining cover after passing the 900m. When asked to explain the performance, jockey B. Shinn stated that the filly raced keenly in the early stages due to the slow tempo which in his opinion may have been to its disadvantage, and when asked to finish the race off, let down for a short distance, however may have peaked on its run prior to the line. He added that in his opinion the filly, which was first up today, would benefit from the run. A post-race veterinar

S. Comments: Tightened for room shortly after the start and lost ground. Held up badly at the heels of a tiring runner for some distance passing the 400m before clipping the heels of that runner approaching the 300m and blundering. Held up and unable to improve for a considerable distance passing the 300m. As a result of these incidents, the filly lost considerable ground and was not pressured by its rider over the concluding stages of the race.

S. Comments:Commenced to hang out from the 600m and as a result took no competitive part for the remainder of the event and was eased down by its rider in the home straight. Raced 3 wide without cover throughout. A post race veterinary examination revealed a slower than normal recovery. Trainer T. Cotsiopoulos was advised that she must provide a barrier certificate for the horse prior to its next race start.

A post race veterinary examination of the horse, which finished a distant last, failed to reveal any significant abnormalities. Trainer R. S. Comments:Laid in under pressure in the home straight. Whilst being restrained to avoid heels near the 700m, the gelding commenced to lay in for a number of strides despite the efforts of its rider resulting in DOMINANT WITNESS, which was racing to its inside, being forced to race in restricted room. Apprentice B. Nothdurft advised that the gelding improved into the race from a rearward position from the 500m, however in the home straight it failed to run on as he had expected and, in his opinion, proved disappointing. A post-race veterinary examination of the gelding revealed no apparent abnormalities.

S. Comments:After beginning well, the gelding obtained a forward position without being overly pressured and then commenced to race keenly and, as a result, settled further forward than anticipated. When questioned by Stewards regarding the seemingly improved performance, Trainer M. Boland advised that, in his opinion, the gelding was suited to the step up in distance from 1000m to 1300m today. He added that the gelding has been a slow maturing horse and, as a result, derived significant benefit from its recent racing experience.

S. Comments:Raced wide. Stewards guestioned trainer J. Aitkenhead regarding the improved performance. She indicated that prior to last start the horse had been racing well, however at its most recent start the mare settled in a more forward position and overraced badly in the early and middle stages and had to be steadied from heels, as documented in the Stewards Report. She added that, in her opinion, the horse did not handle the tight turning Gatton track last start, and she had expected a forward showing in today's event.
