Of concern to stewards was that after being significantly slow to begin he then did not place pressure on the horse in order to attempt to remain in touch with the main body of the field until entering the home straight.

Jockey Cormack explained that after the horse was slow to begin he immediately felt the horse was short in its action and therefore did not place any pressure on it to improve. A post race veterinary examination confirmed that BRADBURY was sore in the off foreleg and had also shifted its off fore pla

Rider re tactics - explained after beginning fairly from wide barrier and then laying in shortly after start and bumping heavily with DARK ARCHER then allowed to balance up and elected to restrain to rear to find a position closer to the rail as he was of the opinion if he had pressed forward may have been caught wide. Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.
