S. Comments:Change of tactics. To be ridden further back in the field if circumstances permit. Apprentice T. Williams was asked to comment on her reasons for riding the horse the horse in a forward position. Miss Williams confirmed she had been instructed to ride the horse further back in the field, however the horse began the race very well and rather than dramatically restrain the horse she elected to shift across to the fence when a view that horses to the outside may cross her and afford her cover. However this did not occur and she was obliged to race in the forward half of the field. Stewards noted
