After passing the 800m the mare was not responding to her riding and failed to travel comfortably at any stage of the event and proved disappointing. App Denby was of the opinion that the mare was not comfortable on today's track conditions. A post race veterinary examination revealed the mare to be displaying a cough and a nasal discharge. Trainer reported horse pulled up well and agreed may not have been comfortable in conditions. Believed it would be better suited over further ground when able to settle closer to the lead.

S. Comments:Inquiry re. tactics adopted as the horse led in todays event which is in contast to the manner in which it has been ridden recently. Mr Hull indicated that as the horse has led over a similar distance during its last preparation he did not feel that there had been a change in tactics. He also added that similar instructions had been issued at the most recent start however CUSHY NUMBER had failed to must sufficient early speed to take up a forward position. Stewards advised Mr Hull that, whilst they noted his explanation, in similar circumstances he should notify stewards of his intentions.

Comments:When questioned trainer B Hull explained the gelding at its most recent start raced three wide without cover throughout and whilst the track was rated a soft (5) he felt the track had deteriorated by race nine on the program, where in his opinion the gelding failed to handle the state of the surface. Trainer Mr B Hull added that prior to its most recent start the geldings form had been relatively good and attributed the performance to being able to keep the gelding fresh leading into the event.

As the horse had been racing in the lead and not finishing its races off the intention was to settle in a one out one back position with cover. After travelling a short distance in today's event the horse dropped the bit which allowed REDSSON to cross it resulting in the horse settling further back than anticipated.
