Added held up approaching and passing 200m and when able to get clear mount worked home strongly. Further added had he gone wider rounding home turn would have covered significant extra ground which would have been detrimental to his mount's chances.

Commenced to lose ground on straightening and finished at the rear of the field. Rider J. She added that at its previous start at Doomben on 19 December 2018 she was satisfied with its performance, having not been beaten far in a larger field, and she believed the gelding was better suited in today's smaller field.

S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.

Jockey Orman added that the gelding did not travel comfortably at any stage and failed to respond to his riding when placed under pressure leaving the 500m and proved disappointing.
