S. Mr Essery added that with the fitness benefit from that run, a forward showing performance was expected today. Stewards noted the explanation.

S. Comments:When asked to comment on the apparent improved performance, Trainer S Essery advised in its previous preparation the horse raced over unsuitable distances and that at its most recent start when first up after a significant spell the stable was not entirely disappointed in its performance when beaten only 3.7 lengths. Mr Essery added that with the fitness benefit from that run, a forward showing performance was expected today. Stewards noted the explanation.
