Questioned as to the performance, App. M Murphy stated after obtaining his intended position behind the leader in the early stages, the gelding failed to respond to his riding when placed under pressure passing the 500m and proved disappointing. Trainer G Shaw was of a similar opinion and indicated the gelding would now be sent for a spell. A post-race veterinary examination failed to reveal any abnormalities at the time of examination. Jockey Day added that he advised connections that the colt would be better suited without blinkers. Trainer D Scanes advised that the horse had not performed well in its work without blinkers and as such he would persist with blinkers at its next start and endeavour to have the horse ridden in a rearward position with cover.

Early stages tried to restrain to obtain cover in one out one back position however horse outside leader continued to restrain preventing him from obtaining cover behind that runner. Therefore elected to stirde forward to eventually settle outside leader. Trainer stated horse had been notoriously slow to begin and with blinkers off today began better than expected resulting in it racing further forward than anticipated. Best suited when ridden with cover.
