Maloney stated that it was never his intention to lead, however, after beginning well he elected to press forward to cross AIMALAC MILLIE, after which the gelding found itself in the lead. Given the tempo in the early and middle stages, he was content to remain in the lead.

Lloyd was of the opinion that the gelding travels quite keenly in its races and whilst he was restraining his mount to slow the tempo, the gelding may have resented that. He was also of the view that the gelding would be better suited racing on a firmer surface than that of today's event.

S. Comments:Significantly tightened for room at the start and checked. Stewards interviewed jockey T. Harrison regarding the horse's racing manners. She advised that the horse raced very greenly throughout the event, hung out rounding the home turn and shifted out abruptly when attempting to secure clear running over the concluding stages. She also added that the horse had returned to scale with lacerations in its mouth. Trainer M. Mair confirmed this. He was advised that he must provide a veterinary certificate prior to its next race start and must also trial satisfactorily.
