Jockey Orman was of the opinion that the gelding may perform better when kept fresh for its races. A post-race veterinary examination revealed no significant findings.

Rider stated approaching home straight PUZZLING WONDER rolled out and he elected to come to inside of that gelding which didn't improve into race as expected and then elected to go back to the inside and was unable to obtain a clear run for majority of straight. Stewards noted explanation but advised may have been prudent to race behind SUPER SUAVE slightly longer to give possible options to both the inside and outside.

S. Comments:During early stages when being restrained to obtain cover commenced to over-race, shifted in abruptly. When questioned as to disappointing performance, Jockey D Griffin explained the mare had a tendency to race keenly early. He added that after settling well and having a favourable run through the middle stages, was under extreme pressure from the 600m and proved very disappointing. His opinion would be better suited to races over a shorter distance. Post-race vet. ex. revealed a slower than normal recovery rate.
