S. Comments:Overraced in the early stages. Obligated to steady from heels when the runner it was following was restrained near the 700m and as a result shifted wider on the track for a short distance. A post race veterinary examination found the horse to be suffering from significant heat stress. The gelding was monitored, treated by the veterinary surgeon and recovered quickly.

S. Comments:Slow to begin. Rider questioned re riding rounding home turn - stated leaving 500m reluctant to shift wider to follow Spirit Of Cherokee as he was concerned it was not going to take him into the race, given its racing manners during early and middle stages. Elected to follow Dramatic Moments into race and as a result held up on the heels of that runner in early stages of home straight. Added upon straightening positioned to inside of heels of Heza Good Boy and unable to avail himself for a run to outside of that runner without steadying and losing ground at that point. Explanation accepted.

Witt stated that he had expected the gelding to perform well at its last start, however it had disappointed. He added that the gelding was subsequently found to have been suffering from a virus and as such was treated and freshened up. He further stated that BALIUS appreciated rain-affected tracks and he believed these factors may have contributed to today's improved performance.
