S. Comments: Apprentice J. Murphy reported that the horse raced greenly and hung out from the 700m, placing him at a disadvantage. He added that on pulling up the horse had its tongue over the bit. Trainer J. Phelan was advised that a warning would be placed on the horse's racing manners. A post-race veterinary examination revealed no significant findings.

S. Comments:Began awkwardly, almost dislodging its rider. When afforded the opportunity to comment on the performance, jockey J. Orman stated that after almost being dislodged at the start he was obliged to settle further back than he expected. He added that, in his opinion, this had a bearing on horse's overall performance and would be better suited when able to settle further forward. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments: Stewards questioned jockey C. Bayliss as to his positioning of the gelding, which led in today's event, which was in contrast to its most recent racing pattern. Apprentice Bayliss indicated that prior to the start he had anticipated settling in a position behind the lead, however the horse began well and he was able to cross the runner to his immediate inside without overly pressuring his mount, and had anticipated allowing another runner to cross to the lead to obtain a trailing position, however this did not eventuate and he felt he established a steady tempo throughout. obtaining cover after passing the 900m. When asked to explain the performance, jockey B. Shinn stated that the filly raced keenly in the early stages due to the slow tempo which in his opinion may have been to its disadvantage, and when asked to finish the race off, let down for a short distance, however may have peaked on its run prior to the line. Held up badly at the heels of a tiring runner for some distance passing the 400m before clipping the heels of that runner approaching the 300m and blundering. Held up and unable to improve for a considerable distance passing the 300m.

As a result of these incidents, the filly lost considerable ground and was not pressured by its rider over the concluding stages of the race.
