Cahill indicated he could not explain the performance, which he considered disappointing. He felt the horse had travelled well until after being placed under pressure and then weakened badly in the final 400m. Stewards advised connections that the horse would be required to trial satisfactorily prior to starting again.

S. Comments:Checked at the start. Stewards asked Jockey R. Plumb for an explanation regarding the geldings performance. Jockey Plumb explained that after being severely checked at the start, he settled at the rear of the field and the gelding contacted the rail on two occasions passing the 1000m when racing to the inside of BEAUETA. He added that the gelding finished fairly in the home straight but in his opinion the interference at the start had a direct bearing on todays performance. A post-race veterinary examination failed to reveal any apparent abnormalities.
