S. Comments:Rider questioned re performance - explained obliged to ride forward after being caught wide early and probably had to do more work than he would have liked before obtaining a position outside the leader passing the 800m. Added from that point on travelled reasonable but shortly after straightening when placed under pressure failed to respond and proved disappointing over the concluding stages. Further added that as the gelding was first up from a spell today it would benefit from the run.

Of concern to stewards was that after being significantly slow to begin he then did not place pressure on the horse in order to attempt to remain in touch with the main body of the field until entering the home straight. Jockey Cormack explained that after the horse was slow to begin he immediately felt the horse was short in its action and therefore did not place any pressure on it to improve. A post race veterinary examination confirmed that BRADBURY was sore in the off foreleg and had also shifted its off fore pla
