S. Comments:Trainer questioned re seemingly improved performance - advised filly had raced in a higher grade at its previous run and in his opinion performed well in that race and he had added blinkers to the horse's gear with a step up in distance today, which he attributed to the improved performance. Added the filly had a very good run in transit, which was also beneficial. Stewards noted the explanation.

Added the filly had a very good run in transit, which was also beneficial. Stewards noted the explanation.
