S. Comments:When questioned regarding the tactics adopted, apprentice A. Thompson stated that he pressed forward as per instructions, adding that he initially intended to sit outside the leader, but for a short distance from his wide barrier pressured his mount in an attempt to go forward and maybe obtain the lead but was not able to do so, and then restrained to a position outside the leader, albeit racing keenly in that position. He added that the horse raced in its usual racing pattern. Trainer J. Judge confirmed the instructions and advised that he was satisfied with apprentice Thompson's ride, however

S. Comments:Stewards questioned Trainer's representative in relation to the improved performance in comparison to its most recent start. He advised that the gelding performed disappointingly at its most recent start and for that reason it was spelled immediately following that event. He added that prior to this, the geldings form, in his opinion, was strong and therefore after returning from a spell, the stable was expecting a forward showing in today's event.

Stewards noted the explanation.
