S. Comments: Stewards questioned jockey in regard to the tactics adopted and the performance of the filly. Jockey stated that he had not been given any specific instructions, however the filly was agitated whilst parading behind the barriers, and when the start was effected filly began very awkwardly, became unbalanced and lost considerable ground. Jockey said that in the early stages he was obliged to race towards the rear of the field. He added that he was not entirely disappointed with the horse's performance. Stewards noted the explanation.

S. Comments:Rider explained, began awkwardly, commenced to race ungenerously in the early stages, in an endeavour to ride his mount in accordance with

its pattern he urge his mount forward to take up and position behind the leaders, his mount resisted. He said that passing the 750m commenced to hang out and again rounding home turn, hung out and ran wider on the track. Added that in his opinion the blinkers applied for the first time today, were factors which contributed to the performance. Vet exam revealed suffering from heat stress. Stable advised would experiment with gear prior to next start.

S. Comments:Slow to begin and reluctant to stretch out in the early stages of the race. When questioned jockey J Missen said it was the horse's normal pattern to be tardy away from the barrier and even though it was a long way back he felt comfortable with the horse's action. He also stated that it finished off the race reasonably after giving away such a big start. Stewards noted that even though it raced well back under riding, the horse did eventually improve to tack onto the back of the field approaching the 600m, and in stewards' opinion also finished the race off reasonably.
