S. Comments: When questioned regarding the performance of the horse, trainer said that he was disappointed with the horse's performance, as it failed to run on as expected. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance.

Stable representative confirmed the instructions issued and added that the gelding has led in previous starts.

Coome stated that after being hampered at the start the gelding failed to travel comfortably for the remainder of the race. A post-race veterinary examination of the gelding revealed stiffness in its hindquarters, however no lameness was detected. Trainer T.
