S. Comments: When questioned regarding the disappointing performance of the gelding rider stated that his instructions had been to lead, however, despite beginning well he was unable to improve to cross the runner to his inside and elected to race to the outside of the leader. He added that, despite travelling well in the middle stages, the gelding did not handle the ground, was under pressure from the 600m and was disappointing in its failure to finish off the race. A post-race veterinary examination did not reveal any abnormality.

S. Comments: Stewards questioned jockey A. Spinks regarding the tactics he adopted on his mount in sitting outside the lead in today's event which was in contrast to the horse's established racing pattern. He indicated that the horse was inclined to overrace in the early stages and as there was a distinct lack of pace in the race he was unable to fulfil his instructions which was to ride the horse in the second half of the field. Jockey Spinks therefore elected to allow his mount to stride forward to secure a position closer to the fence.

S. Comments: When questioned regarding the disappointing performance of RAGE WITHIN, rider stated after being caught wide the mare raced more forward than anticipated, however when placed under pressure near the 600 metres failed to respond to his riding. S Bayliss further stated in his opinion the firm track in addition to it being 4 weeks between runs contributed to today's performance. A post race Vet exam failed to reveal any abnormality.

S. Comments: When questioned as to the performance, App. M Murphy stated that the gelding travelled comfortably in the early and middle stages but when asked to improve leaving the 600m was left flat-footed when the tempo of the race increased. App. Murphy added that the gelding was doing its best work over the concluding stages and may appreciate a step up in distance. Trainer M Lakey was of the view that the slow tempo in the early and middle stages did not suit the gelding's racing style and accordingly he was not overly disappointed with the performance.

S. Comments: Stewards questioned Apprentice in regard to her ride. Apprentice said that she had been instructed to ride the gelding at the tail of the field. Trainer confirmed the instructions issued, however was surprised that the gelding was positioned as far back as it was. When asked why she did not attempt to improve her position, she said that she refrained from doing this as she was of the belief that the horse would over-race. Also of concern was the amount vigour shown in the home straight. Bearing in mind Apprentice's relative inexperience, Stewards referred her ride to the Riders Advisory Panel.
