S. Comments: Stewards questioned J. Lloyd in regards to the performance of STARKERS. Mr Lloyd advised that the colt never travelled comfortably throughout the event and when placed under pressure from the 600m immediately came off the bit and failed to respond to his riding from that point. Trainer C. Munce advised that he would monitor the post-race recovery of the colt, however, at this stage it would be his intention to continue with its current

preparation. A post-race veterinary examination failed to reveal any abnormalities. 54 Nathan Day

S. Comments: When asked to comment on the mare's performance, which weakened badly over the concluding stages, indicated, in his opinion, the horse does not appreciate the firmer racing surfaces and felt this had affected the horse's overall performance. A post race veterinary examination revealed the mare had a poor post race recovery.
