S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding alone in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.

S. Comments:Jumped awkwardly and made contact with another runner. Finished tailed off. M. McGillivray reported that at no stage did the horse travel comfortably and was under pressure from the 600m onwards. Trainer S. Kendrick indicated that he was at a loss to explain the performance, adding that he expected a forward showing on the horse's work. He advised that the horse will undergo an endoscopic examination in ensuing days, the finding of which he will report to stewards. A post-race veterinary examination revealed no significant findings.

S. Comments:Rider questioned re tactics. He stated the filly began fairly, however was reluctant to muster speed in the early stages and therefore settled further back than intended. He added the filly raced somewhat awkwardly in the early stages when in a trailing position and coming to the home turn, when attempting to shift out to improve, made contact with FOXARELLI and was slightly held up passing the 400m. D. Browne further stated that he elected to shift back inside those runners and the filly finished the race off quite well and in his opinion may even appreciate longer races.
