S. Comments:Trainer L. Abbott was questioned regarding the seemingly improved performance. She stated that, in her opinion, the horse had performed below expectations at its most recent 2 starts as a result failing to handle the heavy 10 track conditions. She added that in today's event she had removed the blinkers from the horse's gear and she felt this had assisted in having the horse settle during the middle stages of the race which she felt had a beneficial effect on the overall performance.

Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.
