He stated that he would have preferred to settle in a more forward position, however the horse began awkwardly. He then stated at no stage of the race did the horse travel strongly and he was obliged to nuzzle the horse in an attempt to hold a position in the middle stages. He added whilst the horse was positioned wide on the track he was disappointed with the horse's finishing effort. A post race veterinary examination failed to reveal any abnormality, and a swab sample was taken.

S. Comments:Blundered near the 700m. When questioned by Stewards regarding the seemingly disappointing performance, jockey N. Tomizawa advised that his mount was able to travel in a handy position during the race, however after it blundered near the 700m, the filly failed to travel from that point and, in his opinion, proved disappointing over the concluding stages. The trainer's representative could offer no explanation for the filly's performance today, which he advised was disappointing. A post-race veterinary examination of the filly failed to reveal any apparent abnormalities.
