| S. Comments:When questioned by Stewards in relation to the seemingly improved performance and tactics adopted, co-trainer T. Sears advised that last start the filly was ridden further back than anticipated from a wide barrier, and met with some interference in the early and middle stages, however still ran on well late. He added that at its first start, the filly sat up on the speed and performed quite well. He further advised that today he removed the blinkers and added blinkers to the filly's gear, and when able to be ridden more forward and down in grade, he had expected a forward showing. |                      |            |                                                     |
