5. You will then see the Wagering Data page that allows you to submit the required data.

The screenshot shows the 'Wagering Data' page on the Racing Queensland website. The header includes the Racing Queensland logo, a 'JUMP TO:' menu with icons for Racing, News, Animal Welfare, Careers & Training, Infrastructure, Ownership, and About, and user links for 'MY ACCOUNT' and 'LOGOUT'. A breadcrumb trail reads 'Home > My account > Wagering Data'. The main heading is 'Wagering Data'. Below it is a table with columns: 'Date*', 'Meeting*', 'Bets taken*', 'Bet backs*', 'Bets paid*', and 'Fielded at Venue*'. The 'Date*' column has a text input with 'DD/MM/YYYY'. The 'Meeting*' column has a dropdown arrow. The 'Bets taken*', 'Bet backs*', and 'Bets paid*' columns have text inputs. The 'Fielded at Venue*' column has a dropdown with 'Select...'. Below the table is a blue 'ADD ROW' button. At the bottom, there are two checkboxes: 'Email me a copy of my submission' and 'I hereby declare that the information provided is true and correct and accept that I may be audited'. A green 'SUBMIT' button is at the bottom left.

6. Please enter all the meeting data; Date, Meeting, Bets Taken, Bet Backs, Bets paid and the venue you fielded at.
7. This data is recorded at a meeting level, please do not provide your data at a race level.
8. Once you have entered the data for all your meetings click Submit at the bottom of the page.
9. Upon successful completion you will receive the message “Wagering Data has been successfully saved.
10. This will then allow Racing Queensland to begin the invoicing process

Racing Queensland will calculate your Race Field Fees consolidated for each month. These Race Field Fees are 1% of your turnover, where turnover is equal to your Bets Taken minus you Bet Backs.

If there are any changes to the data entered or you need a clarification about the invoice, please contact us via wagering@racingqueeland.com.au and we will update the data where necessary and send out a detailed list of data received and how the calculation has happened for the period.
