

FAST LANE SERIES

RACE CONDITIONS

1. VENUES

1.1 In February 2027, heats for each of the Fast Lane Series will be conducted at Q Straight and Capalaba. All three series finals will be conducted at Q Straight.

1.2 For July 2027, heats for each of the series will be conducted at Q Straight and Capalaba. All three series finals will be conducted at Capalaba.

1.3 For February 2028, the finals are proposed to be conducted at Bundaberg, subject to completion of construction. Heats will be conducted at Capalaba and Q Straight.

2. ELIGIBILITY

2.1 Entry is open to greyhounds that satisfy the eligibility requirements of the relevant series event.

2.2 To be eligible to compete in an event at the Q Straight, the trial requirement remains active for the respective series as per the Grading Procedures – Condition of Nomination (The Q Venues).

2.3 Greyhounds of all grades may compete, subject to the eligibility requirements of the relevant event specified in clause 3.

3. SERIES EVENTS

3.1 Each staging of the Fast Lane Series will comprise the following three events:

1. 0–2 wins.
2. Grade 5.
3. Open.

4. SERIES SCHEDULE

4.1 The series is proposed to be conducted twice yearly, commencing in February 2027.

4.2 Capalaba heats — Wednesday, 10 February 2027

A maximum of four heats will be conducted at Capalaba for each series.

The top four qualifiers from the Capalaba series heats (as determined according to the Grading Procedures series selection scale) will automatically qualify for the corresponding final on 25 February 2027.

4.3 A greyhound that qualifies for a series final (10 Feb) through its respective heat shall be ineligible to nominate for heats of any of the three series events conducted in the following week (Q Straight heats 18

Feb).

4.4 Q Straight heats — 18 February 2027

A maximum of four heats will be conducted at Q Straight for each series.

The top four qualifiers from the Q Straight series heats (as determined according to the Grading Procedures series selection scale) will automatically qualify for the corresponding final on 25 February 2027.

The fifth and sixth fastest qualifiers will qualify as the two reserves for each series final.

4.4 Series finals — 25 February 2027

The Q Straight will host the finals of all three series over 350m.

4.6 Racing Queensland reminds participants of the racing and trialling frequency limits under Greyhounds Australasia Rule 39. A greyhound is not eligible to compete in events or satisfactory trials on consecutive days, in more than a combined total of 2 events or satisfactory trials in any consecutive 7-day period, or in more than a combined total of 7 events or satisfactory trials in any consecutive 28-day period.

5. PRIZE MONEY AND QUEENSLAND BREEDER BONUSES

5.1 The combined series prize money and breeder bonus allocation is up to $100,000, comprising $70,000 in prize money and up to $30,000 in breeder bonuses.

5.2 Total final prize money is $20,000 for the 0–2 wins event, $20,000 for the Grade 5 event and $30,000 for the Open event. Standard heat prize money applies.

5.3 For each event, a $1,000 Queensland breeder bonus will apply to each Queensland-whelped greyhound that starts in the respective series final. An additional $2,000 breeder bonus will apply to the fastest Queensland-whelped greyhound in each final. The $2,000 breeder bonus shall be split evenly when a dead-heat occurs.

EVENT	DISTANCE	PRIZE MONEY	QLD BREEDER BONUS (QLD WHELPED ONLY)
0-2 wins	350m/366m	Heats: Standard heat prize money	$1,000 QLD breeder bonus for QLD whelped greyhounds that start in the final. $2,000 breeder bonus for fastest QLD whelped greyhound.
