### **Inter-state greyhound nominations**

In light of the Queensland Government's decision to close the state's borders, RQ is presently reviewing whether it will continue to accept inter-state nominations during the COVID-19 pandemic.

In the interim, RQ is not accepting inter-state nominations for its greyhound meetings at Albion Park on Thursday, March 26 or Ipswich on Friday, March 27.

Further communications as to whether this decision will be ongoing will be issued later this week.
