CHANGE OF GREYHOUND PRIZEMONEY SPLIT

For these changes to take effect for prizemoney payment, Racing Queensland will require the completed form prior to nomination.

PRIZEMONEY SPLIT – This section MUST be completed by the OWNER

As the Owner(s) of the racing greyhound(s) named below you have the right to alter the prizemoney split. This means what percentage of prizemoney is to be paid to the Owner (i.e. yourself, or the Syndicate) and what percentage is to be paid to the Trainer. Please outline the new percentage splits in the table below. The owner is to stipulate the percentage of prizemoney to be allocated to the trainer. The remaining percentage (adding up to 100%) will be what the owner retains. Please note that the percentage must be whole numbers as no decimal points will be accepted which rounded to the nearest whole number.

I/We hereby make application to alter the prizemoney split to transfer the nominated percentage of prizemoney to the trainer for each Greyhound and trainer as listed in the following table:
