Q BRED

FOR LIFE

2024

REGISTER WITH THE QUEENSLAND STANDARD BRED
INCENTIVE SCHEME TO RACE FOR OVER
\$4 MILLION IN STAKES AND BONUSES

ELIGIBILITY CRITERIA

A horse is eligible for the QBRED Incentive Scheme should it meet the eligibility criteria listed below and all other terms and conditions of the QBRED Incentive Scheme ('QBRED Horse').

ELIGIBILITY A - Queensland Based Mare

The progeny of a mare inseminated in Queensland with the semen of a registered Standardbred stallion (whether or not that stallion was registered as standing in Queensland at the time of insemination) and which is born and notified in Queensland;

ELIGIBILITY B - Queensland Sired

The progeny of a mare inseminated with the semen of a Standardbred stallion where that stallion was, at the time of insemination, registered with HRA in accordance with the Australian Trotting Stud Book Regulations and located in Queensland;

ELIGIBILITY C - Transitional QBRED

The progeny of a mare inseminated outside of Queensland that produces a foal which is born in Queensland. No other progeny of the mare is allowed to have participated in QBRED (or be a current QBRED horse) and at least 50% of the progeny must be owned by residents of Queensland (on the day of foaling);

ELIGIBILITY D - Additional Trotter

The progeny of a mare inseminated with the semen of a Standardbred stallion where the stallion was, at the time of insemination, registered with the QRIC and listed in the Standardbred Stallion Index as a Trotter ('TR' notation). The foal must be born in Australia. **With trotting stallions now physically standing in Qld this eligibility type is being phased out. Only foals born prior to July 1 2024 will be eligible for QBRED under this eligibility type.**

** For Eligibility B horses and Eligibility D horses that were foaled outside of Queensland, and all Eligibility C horses a QBRED Request Form must be submitted to and accepted by Racing Queensland prior to the horse becoming eligible for QBRED.*

FEATURE RACE SELECTION CRITERIA

The fields for the **4YO QBRED Triad Series** and **2YO and 3YO Breeders' Classic Series** feature races will be selected according to a ranking order which is determined in the following way:

1. The winner of any Group or Listed age event in the current season
2. The number of races won in the current season (excluding races worth \$5,000 or less)
3. The current season's stake earnings

To be eligible horses must be nominated, with fields selected in order of ranking from those nominated.

The fields for the **2YO and 3YO Triad Series** will be selected as follows:

1. The 4 highest ranked horses according to the above criteria will progress straight through to the Finals and won't be eligible to contest the Heats.
2. The remaining places in the Finals will be determined by qualifiers from the Heats which will be programmed the week prior to the Finals.
3. Consolations will be made up of the horses that competed in the heats but didn't qualify for the Final.
