WELCOME TO QUEENSLAND HARNESS RACING.

Queensland has a rich history in harness racing.

And some of the biggest names in the sport such as Blacks A Fake, Be Good Johnny and Colt Thirty One have more in common than simply being Queensland bred. They are all QBRED registered. But what is QBRED?

QBRED

AUSTRALIA'S BEST INCENTIVE SCHEME FOR BREEDERS AND OWNERS

QBRED is an incentive scheme delivering \$2 Million in additional returns for breeders and owners of harness horses bred and racing in Queensland.

With a lucrative range of exclusive stakes and bonuses on offer, only QBRED registered horses race for:

- \$10,000 QBRED 'First Win' Bonus
- \$7,500 QBRED 'Second Win' Bonus
- \$1,000 QBRED Cash bonuses (300 specified races per year)
- Exclusive rich QBRED Race Series

Some of harness racing's biggest stars have been QBRED registered, including Blacks A Fake, Be Good Johnny, Forever Gold, Majestic Mach, Leo's Best, Bettor Promise, Bettorthanspecial, Catcha Lefty, Colt Thirty One and Smart As Camm Be.

Connections of QBRED champions have received over \$19 Million in QBRED bonuses and \$8 Million in additional stakes.

NEW FOR 2019/20

The 2019/20 Racing Season opens an exciting new chapter of the QBRED bonus scheme, with the introduction of 'QBRED For Life'.

'QBRED For Life' removes the age restrictions on the first and second win bonus (providing the applicable entry fees are paid), while also offering access to the QBRED Cash Bonuses.

This means that QBRED benefits will be available to standarbrids of all ages.

This provides owners and breeders with enduring benefits and means there will now be less pressure to breed a horse early in the season and less pressure on horses having to win their bonus by the end of a season, while also ensuring horses that mature later in life maintain the opportunity to win lucrative bonuses for their connections.

If you have any queries in relation to the eligibility of your horse/s for QBRED For Life please contact Racing Queensland.

QBRED ELIGIBILITY EXPLAINED

There are two (2) ways to reap the benefits of the QBRED Incentive Scheme and be eligible for a share of over \$2 Million on offer during the 2019/20 Queensland harness racing season. This is by breeding a QBRED Eligible Foal or purchasing a QBRED Eligible Foal.

BREED A QBRED ELIGIBLE FOAL

A foal is eligible to participate in the QBRED Incentive Scheme should it meet the criteria listed below:

- a mare inseminated **in Queensland** with the semen of any registered Standardbred stallion registered as standing in Queensland at the time of insemination, that produces a foal which is **born and notified** in Queensland;
- a mare inseminated **in Queensland** with the semen of any registered Standardbred stallion, that produces a foal which is **born and notified** in Queensland;
- a mare inseminated **outside of Queensland** with the semen of a Standardbred stallion **registered with the Queensland Racing Integrity Commission (QRIC) and located in Queensland** at the time of insemination, that produces a foal which is born in any state of Australia or overseas jurisdiction and the owner of that foal has paid the QBRED Foal Fee to Racing Queensland within 365 days of the foal being born;
- a mare inseminated **outside of Australia**, provided that the **foal is born in Queensland** and provided that the foal is not eligible for or participates in any other state based breeding scheme in any other Australian state or territory;
- a mare inseminated with the semen of a Standardbred stallion marketed as a trotting stallion standing anywhere in the world that is **registered with Queensland authorities** by an approved **Queensland based semen distributor**, (such a foal is a **QBRED Eligible Foal**).

PURCHASE A QBRED ELIGIBLE HORSE

A QBRED Eligible Foal may be purchased through private sale or from a public / yearling sale. Queensland hosts two public yearling sales each year, the Australian Pacing Gold Yearling Sale and the Garrards Redcliffe Yearling Sale.

HOW DO I NOMINATE A HORSE FOR QBRED?

To participate in the QBRED Incentive Scheme, a QBRED Eligible Foal must be nominated. Nominating a QBRED Eligible Foal to be part of the QBRED Incentive Scheme involves the following two easy steps:

1. At the time a QBRED Eligible Foal is born, the owner/breeder must pay Racing Queensland the QBRED Foal Fee as outlined in 'Nomination Fees' below. Making this payment means that the QBRED Eligible Foal is eligible to participate in the QBRED Incentive Scheme.
2. The following, applicable sustaining payment is paid for the QBRED Eligible Foal:

For pacers - at the commencement of the pacer's 2YO, 3YO and 4YO or older racing season, payment by the owner to Racing Queensland of the relevant age sustaining payment enters that QBRED Eligible Foal into the QBRED Incentive Scheme, including QBRED Win Bonuses, QBRED Cash, the QBRED Triad Race series (for 2YO's, 3YO's & 4YO's) and the QBRED Breeders Classic (2YO's only) race series for the respective season. A full series sustaining payment is now also available see page 8 of this brochure for details.

For trotters - at the commencement of the trotter's 2YO, 3YO and 4YO or older racing season, payment by the owner to Racing Queensland of the relevant age sustaining payment enters that QBRED Eligible Foal into the QBRED Incentive Scheme including QBRED Win Bonuses, QBRED Cash, the QBRED Triad Race series (for 2YO's & 3YO's) for the respective season. A full series sustaining payment is now also available (see page 9 of this brochure for details).
